1. We are not authorized to question people about their medical decisions, because their medical decisions are private, personal and confidential.
2. Based on the above, we will require folks who are attending services to have their temperature checked, upon entering the church building/premises, for the safety of all congregants attending.
3. LHMI Sanctuary has no windows, so ventilation is very limited, which makes it important for all congregants, whether you are vaccinated or not vaccinated, you are required to wear a mask while in the building.
4. Social distancing will be in effect, there will be no congregating in groups in the lobby or in the restrooms. Parents who are attending with their children are required to accompany them to the restrooms. The nursery will be closed. Parents are also required to have their children sit with them in the service at all times.

NB: If you or your child are exhibiting any sign of illness, including running nose or coughing, please stay home / leave your children at home.

5. The Fellowship Hall and the BOLD Pantry will remain closed on Sunday. Subscribe to the BOLD Pantry Alerts channel for distribution announcements www.t.me/BOLDPANTRY

6. Members are asked to submit to these protocols if you desire to attend; if you have difficulties with these protocols, it is advisable that you join us online on our streaming platforms (see #12 for links)
