ANNIVERSARY BLESSING FOR FOUNDERS OF LHMI

- I. Heavenly Father, we bless your Name for all the blessings our Overseer and First Lady Cameron have enjoyed in this marriage for forty (40) years and for continuing to journey with them for many more years.
- II. May the God who has kept you together for these forty (40) years, by His infinite goodness and mercy continue to keep you together and bless your union.
- III. May the Father who created you, Christ the son who redeemed you, and the Holy Spirit who sanctifies you daily, keep and preserve your marriage all your days.
- IV. May the Lord look upon your 40 years of marriage with favor and fill you with every good thing that makes for a long healthy successful Kingdom Marriage.
- V. We pray that you will always have kind and loving words for one another; support each other in ministry; encourage each other’s dreams and visions, and channel your love in practical ways between you and as examples for others.
- VI. Thank you, Lord, for holding our Pastor and First Lady steady in love and purpose, making them strong during the difficult times; and for always being with them through the inevitable trials that they have had to face over these forty (40) years as husband and wife serving together in ministry.
- VII. We pray that you will continue to bless and to keep our Founders: Rev. Dr. Oswen & Rev. Cora-Dian Cameron and that You would become increasingly more precious to them day by day, for only in You is their fullness of joy forevermore.
- VIII. Heavenly Father, because You are in our Founders, we acknowledge that love reigns supreme; and we believe that love is displayed in full expression enfolding and knitting them together in truth, making them perfect for every good work to do Your will, working in them that which is pleasing in Your sight.
- IX. Holy Spirit help our beloved Pastor and First Lady to continue to maintain their vows of love and constancy that they made before You, forty (40) years ago, and enable their marriage to grow even stronger with each passing year.
- X. May their home and that of the descendants from their loins be a place of peace, where God is kept as the central focus of their lives and grant them many more years of joy and happiness together.
